ITINERARY

Day 1
21 June

SIJORI CONNECT Golf Cup

At 09:00 (GMT+7), 100+ senior executives, both golfers and non-golfers, gather at Padang Golf Sukajadi for an alfresco breakfast facing the scenic golf course. Tee-off is at 11:00 for golfers, starting their 18-hole game with 4 players in each flight. Non-golfers can enjoy watching the game and having refreshments served throughout the day. At 16:30, we reconvene for a refreshing cocktail reception, followed by a fun celebration with dinner and a trophy presentation to the winners. Dinner concludes at 19:00.

Day 2
23 June

Johor Interconnect World Forum

At 07:30 (GMT+8), a coach bus departs from Marina Bay Sands Singapore to the Johor Interconnect World Forum (Johor IW), held at Sheraton Hotel. Titled "Where Innovation Meets Connectivity", Johor IW is designed for 200+ senior connectivity and data center professionals. The forum ends at 17:00 with networking drinks. Participants can return to Singapore via an arranged coach bus at 18:30.

Day 3
24 June

Data Center Investment Summit Asia

At 08:00 (GMT+8), professionals in data center, finance, and infrastructure sectors gather at Marina Bay Sands Singapore. Titled "Financing the Power Behind AI: Capital Stack Meets Megawatt Scarcity", the summit will expand the conversation beyond hardware and architecture to the financial frameworks shaping the future of digital infrastructure. Together, with the co-located HPC Summit, they bring capital providers, policymakers, operators and chip manufacturers into one forum to examine how the region is mobilizing investment for AI-ready and energy-resilient infrastructure. Sundown networking drinks will be open from 16:00, providing a chance for further discussion and collaboration.

High Performance Computing Summit Southeast Asia

At 08:00 (GMT+8), 400+ professionals gather at Marina Bay Sands Singapore for registration at the High Performance Computing Summit Southeast Asia. The opening panel officially kicks off at 09:00, with plenary speakers and exhibitors showcasing we dive deep into the GPU-powered ecosystems, liquid-cooling revolutions, and lightning-fast interconnects that are setting the new standard for the industry, particularly within the SEA market. After a closing speech at 16:00, networking drinks will be served, providing a chance for further discussion and collaboration.

Day 4
25 June

SIJORI Cloud and Datacenter Convention

SIJORI CDC is designed for 2,000+ senior global digital infrastructure professionals. The group will converge after participating in activities across Singapore, Johor, and Riau (Batam) throughout the week. From 08:00 (GMT+8) to 16:30 at Marina Bay Sands Singapore, this premier gathering of top professionals features an exclusive plenary and exhibition hall showcasing the best speakers and brands in the data center industry. Following the final panel discussion, the event will conclude with sundown networking drinks, offering attendees an opportunity to continue conversations and build connections.

Day 5
27 June

SIJORI CONNECT Football

At 08:00 (GMT+8), 150+ players and supporters arrive at The Cage Dempsey for registration, networking, and warm-ups, with coffee. The games kick off at 09:00 for the group stage, with round-robin matches across multiple pitches. Halves are 12 minutes. Knockout rounds at 13:00, going from quarterfinals to finals, with extra time if needed. From 17:00, we congratulate those who have won trophies with a ceremony, including MVP and Fair Play awards, and the event comes to a close with a group photo.
